Friday's [FB Bible Study](#) Topic:

Several years ago, before 9/11, our congregation hosted a evening study series on various religions. We had a Jewish rabbi, Hindu and Muslim come to speak. The Muslim was most curious. He explained that Islam is, indeed, a religion based on the good works of the individual. To that end, he explained that for every bad thing anyone did, they had a minus one. But, for every good work they received a plus ten. And, this was interesting, he said that thoughts don't count. So, you can lust, covet and curse all you want as long as you don't carry them through in your words or do actions. They live by the letter of the law while often ignoring the spirit of the Law. Are we living any differently?

Marriage Ministry **Love & Respect: A Six-Week Series**

When: The sessions are held on the third Friday of each month. Next session is tomorrow, Friday, February 17th, 2023.

Place and Time: Downstairs in the Fellowship Room from 7:00 - 8:30PM.

Discover the Single Greatest Secret to a Successful Marriage in Ephesians 5:33.

Psychological studies affirm it, and the Bible has been saying for ages. Cracking the communication code between husband and wife involves understanding one thing: That unconditional respect is as powerful for him as unconditional love is for her. It's the secret to marriage that every couple seeks, and yet few couples ever find.

A wife has one driving need - To feel loved. When that need is met, she is happy. A husband has one driving need - To feel respected. When that need is met, he is happy.

When either of these needs isn't met, things get crazy. Love and Respect, featured on Focus on the Family by Dr. Emerson Eggerichs, reveals why spouses react negatively to each other, and how they can deal with such conflict quickly, easily and biblically.

This study is for anyone... wanting to stay happily married...who's feeling lonely. It's for engaged couples and those who want to strengthen their marriage beyond "good enough".

Update on New Security System

The new year will bring the activation of the church's new security system. We thank you for your willingness to help us make our church as secure as possible.

If you currently do not have a key to access the building, this change will not affect you. If you need access during the hours the church is open, you will continue to use Door 4 and press the silver button on the device pictured here. We will be able to see you and communicate with you as well as to let you in.

Ministry leaders who have a key will exchange it for a key fob which will be the new way for you to unlock Door 4.

Important: Your key fob will open the door, HOWEVER, if you are entering outside of business hours, you will need to disarm the alarm using the distinct 4 digit code you will be assigned. You will be trained on how to use your fob and how to disarm the alarm BEFORE the system is implemented.

The goal is to implement this security system as soon as possible with documentation and training being made available before implementation.

Thanks again for your willingness to adapt to this change.
