

GSLC Gleanings October 5-11

Meditate on Scripture

*The Lord is not slow
to fulfill his promise
as some count slowness,
but is patient toward you,
not wishing that any should perish,
but that all should reach repentance.*

Pastor's Post

Friday's [FB Bible Study](#) Topic:

Take a look at the [readings for 10/8](#) and tune in to Facebook on Friday to discuss.

Join Us for Table Talk!

Wednesdays at 6:30PM OR Thursdays at 10:00AM

Operation Christmas Child shares the gospel message and love of Jesus Christ with children around the world.

Packing a shoe box is a wonderful opportunity to reflect on our blessings, and to teach our children about generosity. What if every member of our congregation packed one box? What if every Sunday School student packed

a box for a child their age?

Last year, Good Shepherd packed 67 shoe boxes for children in Zambia. This year, I think we could reach a goal of 100 boxes!

Please see Kristy Fix with any questions. **Boxes must be returned to Good Shepherd by Sunday, November 19th.**

Power Pack

This program focuses on children who get little or no food at home from the time they leave school on Friday afternoon until they return Monday morning.

They usually pack items for over 300 kids per week. All students are part of the Centennial School District K-12.

Food and financial donations are being accepted. Items needed are: ramen noodles, cereal cups, granola and/or cereal bars, applesauce cups, tiny bags of snacks and cookies, and microwaveable ravioli and spaghetti.

Join us this Sunday, October 8th at 9:45 AM in the Table Talk area!

The **Good Shepherd** youth and adults who attended a servant event at Camp Omega this past summer will be sharing their experiences.

Stop in to learn more about these willing servants of God.

WINGS (Women in God's Service) will celebrate *LWML Sunday* on October 8th.

The theme for this year is *"The King is Coming"* based on Psalm 24:7-10.

Throughout human history, God pictured the coming redemptive King through various images of His promise, providence, provision, and protection for His people.

We could easily become down and out because of the evil of our world, and quickly give up because of the constant bad news; but hope, peace, joy, and love are the promise of our God for His people. Christ is the King of Glory! The Gospel is our only hope, as the King of glory comes in, with and through the Gospel, as we were buried with Him in Baptism and raised with Him to a new life!

Stop by our display in the lobby on October 8th and see the missions we support here and throughout the world.

Puppet Workshop

Do you want to share God's love with others? Do you struggle doing it in person? The puppet ministry is a great way to share God's love while being behind-the-scenes. We welcome all people grade 4 to adult to give this ministry team a try.

The puppet team will host a workshop on Sunday, October 8 6:00-7:30. When you participate in the workshop, you will be able to join the team for our Sunday School performance on Sunday, October 15 (set-up and practice 8:15-10:30). A follow-up workshop will be held Sunday night, October 15 6:00-7:30 if you decide you want to continue with the team.

Come and learn more about puppets: puppet technique, prop construction, share ideas and have fun. This is a great way to see if puppets is the right fit for you and it only requires a two day commitment to explore this ministry.

Sign-up by October 8.

Contact Lissa by [email](#) or 612-414-8983 with any questions you may have.

Moms of all generations are welcome to attend.

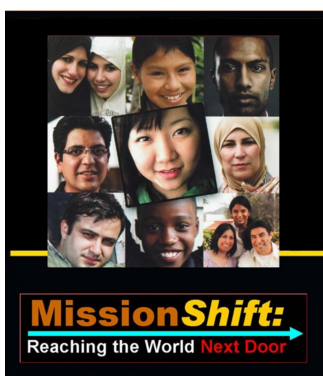

Solar Eclipse

There will be a **partial solar eclipse** on **October 14, 2023** between **10:29AM. and 1:11PM.** Even though it's only a partial eclipse, solar eclipses are fairly rare, and it's still pretty cool to watch the moon cover up the sun! Come to the solar eclipse viewing event at Bethel University to safely observe the eclipse using one of Bethel's telescopes with a solar filter or a pair of eclipse glasses.

****Important Safety:** Do not look directly at the Sun unless you are looking through either a solar filter or eclipse glasses. Sunglasses are not sufficient protection.**

This event is weather-permitting. Check the website [HERE](#) on the day of the event in case of cancellation due to poor observing conditions.

Update on New Security System

The activation of the church's new security system is coming soon. We've had a couple of delays and are working on training materials. We thank you for your willingness to help us make our church as secure as possible.

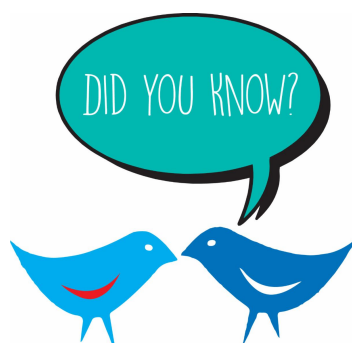

If you currently do not have a key to access the building, this change will not affect you. If you need access during the hours the church is open, you will continue to use Door 4 and press the silver button on the device pictured here. We will be able to see you and communicate with you as well as to let you in.

Ministry leaders who have a key will exchange it for a key fob which will be the new way for you to unlock Door 4.

Important: Your key fob will open the door, HOWEVER, if you are entering outside of business hours, you will need to disarm the alarm using the distinct 4 digit code you will be assigned. You will be trained on how to use your fob and how to disarm the alarm BEFORE the system is implemented.

The goal is to implement this security system as soon as possible with documentation and training being made available before implementation.

Thanks again for your willingness to adapt to this change.
